WORK EXPERIENCE

Jr. Quality Analyst

NTT Limited - Philippines Branch

March 3, 2025 - Present

- Performed functional, regression, exploratory, stress, and end-to-end testing to ensure application quality and stability.
- Designed and executed test cases based on functional and business requirements.
- Identified, documented, and tracked software defects using GitLab.
- Conducted defect retesting and validation to ensure issues were properly resolved.
- Performed cross-browser and cross-device testing to verify application compatibility.
- Participated in Sprint Planning and Sprint Retrospectives as part of the Agile/Scrum development process.
- Collaborated with developers and QA team members to investigate and resolve reported issues.

SKILLS AND INTEREST

Technical Skills

- Manual Testing
- Functional Testing
- Regression Testing
- Exploratory Testing
- End-to-End (E2E) Testing
- Stress Testing
- Smoke Testing
- Test Case Design & Execution
- Bug Reporting & Tracking using GitLab
- Defect Validation & Retesting
- Cross-Browser & Cross-Device Testing

Agile Practices / Team Practices

- Sprint Planning
- Sprint Retrospectives
- Agile/Scrum Methodology
- Team Collaboration
- Daily Stand-ups
- Requirements Review

Soft Skills

- Attention to details
- Strong communication collaboration
- Adaptability and continuous learning

Language: English and Filipino (Oral and Written)

Good day,

I wanted to inform you about an important aspect regarding any background checks that may be conducted involving my application or candidacy.

Please ensure that I am notified before any background checks are initiated, particularly in regards to contacting my references. This is crucial to maintain transparency and to ensure that I am prepared to provide accurate and timely information to my references when they are contacted.

By keeping me informed, you allow me the opportunity to inform my references about the potential inquiry and prepare them to provide the most relevant and up-to-date information about my qualifications and character.

Your cooperation in this matter is greatly appreciated, and I am confident that it will facilitate a smoother and more efficient background check process.

Thank you for your attention to this matter.

Warm regards,

Eunice R. Ordillano
